Open Letter
Amicus curiæ
19th February 2014

Dear Sir,

In the name of our Sovereign Lady of the Common Law, greeting!

15 It is our duty to inform Your Excellency regarding investigations and actions of this *Court of Record* that have consequences for NATO, particularly given recent public pronouncements by Your Excellency¹ regarding Ukraine. These matters affect NATO worldwide.

Our *Amicus curiæ* to The Honourable Mr. Barack Obama, President of the United States follows regarding the **dissolution of the UNITED STATES corporation** and the Federal Reserve system.

20 Our published Open Letters are available at:
www.courtofrecord.org/letters.html

These letters will corroborate the recent amnesty by President Putin in Russia, the affairs in the Philippines, Japan - **Fukushima**, China, Saudi Arabia, United Kingdom, Germany, Norway, Canada, Syria, Egypt, United Nations, etc.

25 Together with the 'intelligence' available to NATO, our suggestion to Your Excellency that no reliance be placed on comments emanating from the State Department, **DNI**, CIA and so forth will be justified. It is the **officials of the United States** and the European Union whose position of trust is in question, not those of Ukraine or other country.

Contact President Obama for advice.

30 Yours faithfully,

Joseph Ray Sundarsson
