1 June 2015

Your Excellency,

Napoleon, like an idiot, marched to Moscow in 1812. He was making a mistake. The worship of money led him to attack the wrong country. The French today are making further mistakes. Having worshiped money and violence for 300 years, indulging themselves in the flesh, they cannot 'see' the guidance of this Court of Record shaping England and Europe. Arguments we have seen recently, that Vichy France did not continue to 'fight' after 1940, while England 'stupidly' did, is a very bitchy argument - did the 'sexy' French cults that controlled the USA forget the Killing Fields of Vietnam? The LORD does not forget and She has shown it to us. The 1919 Treaty of Versailles stinks to high heaven. The entire farce shows that Europeans (French, English, German, Jewish, 'Bankers', Masons, etc.) have been Legal Idiots before Jesus Christ / YHVH. The British, retreating before Mahatma Gandhi, did show that they understood the Law. The 'powerful' in French society have been offering 'Hazelnuts' to Set and have a very 'sexy' life. How many French brush their teeth with Fluoride? [vide post]

Has someone in the DGSE downloaded and analysed the latest documents posted at

[www.courtrecord.org.uk](http://www.courtrecord.org.uk) for Your Excellency?

These documents:

Cleverness

French Foreign Minister H.E. Laurent Fabius has no doubt said something clever in French about Football and Rugby ... we know that the French would like 'nuclear football' to get rid of the tiresome island next door. Regarding the Rugby of dissolving the E.U., the E.U. like 'FRANCE' is just a brand name with no money. The French, not trusting their own people or their neighbours, have invested their proceeds of fraudulent conversion in China/Far-East and hidden their gold in Faaaar Aaawwwaaaay.

Scandal

The FIFA 'scandal' is the pot calling the kettle black.

EU/Switzerland/England/Europe/Central-Banks/HSBC cook their books, FIFA cooks its football matches. Which is the lesser evil?

'Bankers' lend nothing, risk nothing, they have the karma of the past 300 years reflected in the IOU that could be calculated for UCC Mirror Reflection and attached to their Estates. This Court of Record of YHVH does not accept redefining the dollar at the whim of Caesar or Shylock. How many men, women and children have been tortured and have died as a result of whore-ship of gold and fiat money? Is the Law of Moses in Exodus 32 merciful, fair and rational? Is 'FRANCE' a burqa for 'bankers' ? #dissolution.

Rt. Hon. Ed Miliband raised the Scottish flag in England, which was quite comical. Paris now sports the symbol of this Court of Record: a lighthouse - at the top of the Eiffel Tower. [

<http://www.telegraph.co.uk/finance/economics/11634331/Desperate-French-firms-appeal-for-expats-to-return-home.html> ].

France, a "corrupt", lawless destination

Why would 'expat' engineers in California move to France? It has no money, a failed foreign policy for the past 300 years, Napoleonic Civil Code and a snooty disdain for other languages or customs. California has Common Law based on the Magna Carta. 1215.org is authored out of California, for example. French Barons were responsible for the Magna Charta but the French fail to see that, as are the Barons of England to the Queen, so are the Nation-States and Kings/Princes of Europe/UN to the Pope.

The controversy of the then Pope declining to verify the stupidity of Caesar's Law enshrined in the Magna Charta becomes clear in the blood soaked fields of Europe and the sea of Poppies recently on display. A trial of strength among the Barbarians of the Hammer followed by escalating private tyranny to include but not be limited to cannibalism, ritual abuse, rape, Greenbaum torture, Ebola, etc., makes UK/Europe a cesspool worse than any culture they 'invaded'. Are the leaders of 'France' civilised enough to understand this?

Fool me once ... Fool me twice ... who said this? What are the salt domes in Louisiana saying? His Excellency Bill Cassidy, Senator from LOUISIANA may know.

## French Burqas

French women 'FEMEN' are Goddess enough to bare all in 'protest'. Are French men man enough to strip off their corporate and cult burqas, get on TV, have a "Goddess" arouse them, stick their dick out and \*confess\* their "powerful" past? A tribal elder from the Shepherds of Kenya shall then circumcise them on camera. YHVH, Mahakali in Her WRATHFUL aspect is watching. SHE has spoken a parable to French 'men' here: Her glove is on the floor: [[https://en.wikipedia.org/wiki/%C3%89douard\\_Stern#Death](https://en.wikipedia.org/wiki/%C3%89douard_Stern#Death) ]

## Challenge to French 'Men'

As this is an Open Letter, She has thrown the challenge to all French 'men' - some of whom may live in England. His Royal Highness Prince Charles. And the Grand old Duke of York, who had 10,000 women. ...

Do such "stiffnecked" 'men', "hardened fuckers" in modern language, who would rush to take the challenge, think that 'Trojan Horse' is some kind of deluxe condom? Would such a tribal custom, described above, similar to what Moses records in the Torah, which continues to be practiced by some tribes make a 'man' out of such an idiot? What about this paragraph is applicable to the farce unfolding regarding Greece and the past hundred years of 'capitalism'? Perhaps the wise owls at the DGSE can answer these questions for those who have doubts.

## Wise Owls of DGSE

Ask these Wise Owls about the 3 x 5 Trillion = 15 Trillion and/or 750,000 metric tonnes of gold that was made up out of thin air quite recently, during the 2008 financial crisis [[http://www.publications.parliament.uk/pa/ld201212/ldhansrd/text/120216-0002.htm#column\\_1016](http://www.publications.parliament.uk/pa/ld201212/ldhansrd/text/120216-0002.htm#column_1016) ]. Have them contrast that to the figures of FIFA corruption [<http://www.telegraph.co.uk/finance/newsbysector/banksandfinance/11641624/Banks-probe-Fifa-payments-amid-corruption-allegations.html> ] and prognosticate what will happen in Greece!

## Butterfly Effect

What is the connection between the recent earthquake in Japan [<http://www.telegraph.co.uk/news/worldnews/asia/japan/11641538/Japan-warned-to-stay-vigilant-after-powerful-quake.html> ] and His Excellency John Forbes Kerry breaking a leg in the French Alps? [<http://www.bbc.co.uk/news/world-us-canada-32950173> ] ? A "butterflies in the stomach" effect ?

Or is the U.S. 'Patriot Act' about to 'expire'?

Several months after our Amicus Curiae for France, it can be seen that France is bereft of 'True Men'. There is no need for the French State or the Constitutional Council which has proven itself to be incompetent to read, write and do math. Gorbachev and the USSR communists showed the way: they could rationally confess that their model was broken.

## The way out

The way out is contemplating UCC Mirror Reflection. The French film industry can lead by building

open recursive auction markets for information that cannot be censored by other powers. This is not all, an open network built on trust and voluntary, deliverable contracts, can bring dignity to the French 'men' hiding in corporate burqas so that they may have a 'coming out' ceremony to set an example for Islamic women.

Contact

This Court of Record has hand delivered letters to DGSE offices multiple times through M. Bruno Delpeuc'h. He has volunteered to hand deliver a copy of this letter to DGSE. He is reachable via [privasys@gmail.com](mailto:privasys@gmail.com), +33 1 42 56 41 42 and +44 770 007 9093. He is also the CEO of our ISP. We suggest that French men and women who want to serve their fellow men, woman and children, donate things of value to build networks and then create and trade value for supporting the conscious nature of individual men, women and children.

We send our love to YHVH for thee!

Holy Father Francis,

Ave Maria!

The news in Ireland is not a defeat of humanity, it is a temporary victory for Fluoridation of drinking water:

[https://en.wikipedia.org/wiki/Fluoridation\\_by\\_country](https://en.wikipedia.org/wiki/Fluoridation_by_country)

Ireland leads by mandate of Caesar. The Nazis first used Fluoridation in Concentration Camps "to get inmates to happily enter gas chambers" we have heard. As Your Holiness knows by now, Hitler was a British Agent.

We suggest that Fluoridation of drinking water is shut down in all countries, any opinions to the contrary notwithstanding.

We send our love to YHVH for thee!

Yours faithfully,

Dear Sir or Madam,

Kindly ensure that your leader, on cc below, and contacts within ITU-WSIS, FCC, RIAA, ALPA, film producers, telecommunication companies, etc., are served a copy of this fax.

Those within the Roman Catholic Church are asked to help the Pontifical Council for Social Communications get up to speed on the context of cryptography and why Islamic Qanun Law or Roman Canon Law regarding copyright and patents belongs to the dust of history - as both were for the Church/State to have a monopoly on the design of weapons.

[http://www.vatican.va/roman\\_curia/pontifical\\_councils/pccs/documents/rc\\_pc\\_pccs\\_doc\\_20020228\\_church-internet\\_en.html](http://www.vatican.va/roman_curia/pontifical_councils/pccs/documents/rc_pc_pccs_doc_20020228_church-internet_en.html) says "As the Church understands it, the history of human communication is something like a long journey, bringing humanity "from the pride-driven project of Babel and the collapse into confusion and mutual incomprehension to which it gave rise (cf. Gen 11:1-9), to Pentecost and the gift of tongues: a restoration of communication, centered on Jesus, through the action of the Holy Spirit". In the life, death, and resurrection of Christ, "communication among men found its highest ideal and supreme example in God who had become man and brother" "

The LORD God YHVH has ensured that RIAA/ALPA/etc., and the NSA/GCHQ etc., products of ignorance, are not economically viable. A true priest of YHVH needs no NSA/GCHQ to figure out what the criminals in the clergy/state are up to. Impostors beware: Your model of God as a dead man on a stick is past its sell-by date.

His Excellency George H W Bush and the CIA are authorized to use necessary force to unequivocally notify the FCC, RIAA, ALPA and other busybodies to cease and desist from their threats and intimidation, the way of Barbarians of the Hammer. The CIA/ESF is authorized to seize the proceeds of extortion in bank accounts and facilities belonging to such Dangerous Idiots.

Effortless revenue can flow from recursive auction markets to producers of content. Information Censors will be ineffective. Think of the fire of cryptography scotching a field of Daisies so that less parasitical meadows are there for the cows and sheep. *Leucanthemum vulgare* (the Daisy, symbol of ALPA etc) ... is a noxious weed ... an invasive species ... a host for several viral diseases affecting crops.

Yours faithfully,

Dear Sir or Madam,

This Court of Record oversees the dissolution of the FEDERAL RESERVE and the UNITED STATES / UNITED NATIONS / EU / Crown Temple / Jesuit / OTO system.

In a recent fax to Rt. Hon. David Cameron, Prime Minister of Great Britain, cc above leaders, we noted:

" When this Court of Record has made suggestions, we have seen quick action on items of a military nature - for example with CERN, which had a "short-circuit", had a "repair", lost control of its beam and then is plagued by "an unidentified lying object". Who is lying?

" We have seen the demonstration how planes can be vapourised or cut up with precision in the sky and a no-fly zone enforced over Europe. "David's sling" is looking a bit dated and we have seen reports the boys are looking for an accelerator. The false flag war in Yemen is wearing thin. Is the real Sultan of Saudi Arabia in London?

" Is 'Temple Mount' in Israel undermined by explosives for a false flag event to be blamed on 'Iran'?

Against this background we note lack of any real meaning in the 'Plan of Action' on the ITU web site.

We have attached the meaningful plan that is in our Open Letter to Google to this fax, available online with live links here: [www.courtofrecord.org.uk/Google](http://www.courtofrecord.org.uk/Google)

We also wrote recently:

" With computers, it can be seen that the decision to award Bill Gates the PC operating system was done not because he was the best or first, but because his was the worst. We believe that IBM, being a company with inside knowledge of the World War, did not want the legal responsibility of a backdoored operating system.

" The same saga can be seen with Apple Macintosh. Steve Jobs could hardly have been allowed to release NEXT to the public. 'Darwin' followed.

" The result is the tyranny we witness today."

See attached Amicus Curiae [ [www.courtofrecord.org.uk/QE2-2](http://www.courtofrecord.org.uk/QE2-2) ] regarding UCC Mirror Reflection. ITU companies can issue their bandwidth, transit and spare CPU cycles and HD capacity as money - such capacity has been built using the proceeds of fraudulent conversion.

We require that the ITU/WSIS Secretariat circulate this letter together with the attached to every participant and member of ITU/WSIS. The CIA shall follow this up for 'compliance'.

We suggest that participants donate core switches / cabinets / fibre connection / equipment / BGP

Peering / ASNs / IP Blocks / transit / engineers to this Court of Record so that real progress can be made toward creating an open source Internet not subject to the whims of the FCC / Internet Registries / legislatures or yourselves.

Every de-facto Lord of the Internet, for example Google Chairman Dr. Eric Schmidt, has a duty to ensure the safety and security of the men, women and children who use their services - and protect such from the whims of Google employees. They have the means and ability to ensure this such that they are not subject to the whims of, for example. the US, EU or the Russian State Duma or FCC / ITU or NSA / GCHQ.

Note that there is no immunity and unlimited substantial personal liability for all of you. A Treason trial is ongoing. See attached. No one is above the Rule of Law. We suggest a study of Amicus Curiae documents posted at [www.courtofrecord.org.uk](http://www.courtofrecord.org.uk)

The Common Law has influenced, for example, the route of undersea optical fibre cables. Near Europe, the cable routes reflect the oldest working treaty: the 1386 Treaty of Windsor between Portugal and England.

Learn to read the news. The FIFA scandal is just a cover to announce that the "nuclear football" has been kicked back to 4th Baron Rothschild and Prince Charles. Dangerous Idiots in Europe are being identified. The Egyptian whips are out. Many 'powerful idiots' are stuck in a sticky trap.

10 Open Letter  
Amicus curiæ  
31<sup>st</sup> March 2014

**Dear Dr. Schmidt,**

15 A courtesy copy of our latest Amicus curiæ where you are mentioned follows. We suggest that our letters be read by all engineers at Google.

A public record of our letters are at: [www.courtofrecord.org](http://www.courtofrecord.org). We have a mind-map of US/UK Common Law history as it is related to a 'US citizen' here: [www.courtofrecord.org/USA](http://www.courtofrecord.org/USA)

20 We suggest that Google 'grow up' - to "not be evil" is a little more complicated than most naive Americans believe. U.S. Statute "laws" are for UCC legal infants. This cover letter is terse and staccato, with web pointers - written for a programmer like yourself.

We suggest that Google engineers embrace and adopt the lisp programming language to create a brand new open source operating system with a lisp kernel.

25 We suggest that Google contact Clozure Inc, <http://clozure.com> and work with the engineers there. Clozure's Bill St. Clair, <http://billstclair.com/> created Truledger which the Global Settlement Foundation, <http://gsf.li/> adopted, <http://truledger.com/>

We suggest that Google study the common economic fallacies <http://gsf.li/learning> and how "Physics drives finance, finance drives politics" <http://gsf.li/physics>.

We suggest that Google study epistemology and ontology of knowledge, described here for an atheist: <http://courtofrecord.org/Dawkins>

30 We suggest that Un\*x beat DOS/Mac because the engineers were aware of what a "tree" of authority is, as they adopted biblical language, "root" for example. We second Paul Graham's thesis that programming languages vary in power <http://paulgraham.com/avg.html>. Similarly, the English language varies in power. Old English is far more powerful than anything in use today. This thinking is behind our recommendation of the **lisp** programming language.

35 We suggest that Google note [http://en.wikipedia.org/wiki/Greenspun%27s\\_tenth\\_rule](http://en.wikipedia.org/wiki/Greenspun%27s_tenth_rule) "Any sufficiently complicated C or Fortran program contains an ad hoc, informally-specified, bug-ridden, slow implementation of half of Common Lisp". OpenSSL, for example, has a REPL, is bug-ridden, with a history of unverifiable code. An Assembly/C/C++ wizard who wrote our lisp version of AES, came back with the unexpected opinion, lisp (<http://sbcl.sf.net/>) can generate the equivalent of hand tuned assembly. Lisp is  
40 already written by humans as a compiler parse tree.

In contemporary *corporate (lifeless)* society, a number of engineers is a salary liability. In reality, the engineers comprise a brains trust that is the *living* asset of Google. By working together with those that harvest value from nature, Google can quickly create a truly non-evil system for **all**. We suggest that the

45 “there is one way and that way is secure, economically-viable-and-self-extending, anonymous and untraceable” is the policy to adopt, in that order. We are happy to amplify this.

We also suggest that Dan J Bernstein’s work (of qmail fame, <http://cr.yip.to>) be adopted as the standard to measure up to: <http://nacl.cr.yip.to/> and <http://curvecp.org/> are a must. DJB’s commentary on IPv6 remains valid today: <http://cr.yip.to/djbdns/ipv6mess.html>.

50 We suggest that mixmaster (<http://mixmaster.sf.net>) style (i.e. the concept of) high latency, mixed, encrypted anonymous, fixed message size messaging that breaks up and rebuilds random length messages, is a must to support.

<http://www.rayservers.com/blog/equal-access-for-ebay> is an article that touches on “economically viable” aspect of “self extending” networks. Computers can track the “cost” of storage and transmission. These must be built in to the most fundamental layer to avoid the “tragedy of the commons” - DDOS, spam etc. Marry OpenBGPD with CurveCP and a robotic market - this solves IPv4 exhaustion and DDOS. Data storage (GB/year for example) and transmission (GB transferred), and CPU cycles are trade-able units of value. Burning fuel to create bitcoin is for **stupid** people. We suggest looking into <https://en.wikipedia.org/wiki/Tahoe-LAFS> type distributed hash storage with <https://loom.cc/> style data accounting - loom is elegant in concept. Also see <http://opentransactions.org>

60 We suggest that Google join the Global Settlement Foundation System which creates a system of competing settlement, not a monopoly like today. Explaining GSF is like a google engineer explaining google to a retail user. Some of it is implemented, much remains to be homesteaded.

65 Bring your engineers as your asset, GSF can give some direction to avoid pitfalls, you can create services that will continuously generate revenue and create value. I can be reached securely via [gsf@gsf.li](mailto:gsf@gsf.li) PGP 0xD86B6507.

Legal idiots (legal definition - full time lunatics) must be removed from control of our lives. UCC legal infants must grow up. UCC Mirror reflection must be contemplated.

Fukushima is the result of, we believe, a nuke that blew up the reactor and another that set off the tsunami - the result of a war WITHIN the CIA. We believe many public ‘leaders’ are involved.

70 We suggest that google discover and publish the Truth about all matters - without fear of the CIA or other lunatics. Google News can start sober coverage of Truth - history and news without histrionics, *fear porn* and sensationalism. We have prayed for the LORD to light the **fire of knowledge** under the NSA/CIA/DVD/etc., mind controllers, spooks and meddlers. An army of motivated, righteous computer programmers *ought* to be able to do it. This **Court of Record** supports *listening* - it is foolish for good people to say they won’t *listen* to what mad idiots are doing.

75 We repeat our suggestion that all software be Open Source. This builds trust. The service provided is the harvest of the software value created. Competition creates honesty and variety. Intellectual property is a farce invented for UCC legal infants to believe they have a portfolio of value. Intellectual property laws and ‘patents’ are as effective as “drug laws”. For example, ENIAC was the 11<sup>th</sup> such computer, not the first, see <http://www.bbc.co.uk/news/technology-21384672>. There is a lot of technology that is hoarded by barbarians who believe only in Caesar’s might.

The nature of our LORD is pure Intellection, the Mind we live and move and have our being. We pray that the *muse*, the grace of our LORD, light the lamp of insight that is righteous, for **all** engineers.

Yours faithfully,

*Amicus curiae*  
9<sup>th</sup> April 2015

5 May it please Your Majesty,

*In the name of YHVH, Truth, Our Lord Jesus Christ, Good News for all men, women and children, greeting!*

### Background<sup>1</sup>

10 "... our lady the Common Law may take to herself the praise of the lover in the Song of Songs. Her justice is fair as the moon, clear as the sun and terrible as an army with banners", said Sir Fredrick Pollock, in *The Genius of the Common Law*, published in 1912.

Having applied these long neglected principles in contemplation of Our Immaculate Virgin Mary, our lady the Common Law, the sun shine of justice is now in London together with the thrill of an army with banners - or fleets in Admiralty.

1 Further to our **Writ of Mandamus** dated 5 June 2014 served on Senior Master Leslie of the Queen's Bench. [www.courtofrecord.org.uk/US/US-Queens-Bench-Senior-Master-Leslie/US-Queens-Bench-Senior-Master-Leslie.pdf](http://www.courtofrecord.org.uk/US/US-Queens-Bench-Senior-Master-Leslie/US-Queens-Bench-Senior-Master-Leslie.pdf)

15 Your Majesty, we come now to **defend the lives and dignity of honourable English magistrates**, and so to restore their just and legal seat that honours the **separation of the tribunal from the magistrate**; so that there are **no "star chamber" courts**; so that the **lunatics and idiots** who operate UNITED KINGDOM PLC masquerading as an English Parliament are safely removed from their offices of tyranny, wherever they might operate, for example, in the Crown Temple, Your Majesty's Civil Service or Royal Courts.

20 *Ezekiel 21:24 Therefore thus saith the Lord GOD; Because ye have made your iniquity to be remembered, in that your transgressions are discovered, so that in all your doings your sins do appear; because, I say, that ye are come to remembrance, ye shall be taken with the hand.*

*21:25 And thou, profane wicked prince of Israel, whose day is come, when iniquity shall have an end,*

25 *21:26 Thus saith the Lord GOD; Remove the diadem, and take off the crown: this shall not be the same: exalt him that is low, and abase him that is high.*

*21:27 I will overturn, overturn, overturn, it: and it shall be no more, until he come whose right it is; and I will give it him.*

*The Book of the Prophet Ezekiel, King James Bible*

30 *Matthew 21:12 And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves, 21:13 And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves.*

*The Gospel According to Saint Matthew, King James Bible*

### **Crown Temple**

35 The Crown Temple system is a trust where the Bishops of Rome are the settlor and the said system the trustee. The purpose of the trust is the governance of a system of corporate nations according to God's Law.

### **Mixed Money Case of 1604**

40 Queen Elizabeth I diluted the coin of the realm to thwart a rebellion of the Irish. This set the precedent for the past centuries of financial war.

This *Court of Record* of the LORD, YHVH, *Ground of Being*, Our Immaculate Virgin Mary with Her Child Jesus, presides over the dissolution of the 'FEDERAL RESERVE' and 'UNITED STATES' together with the 'BANK OF ENGLAND' and 'UNITED KINGDOM' and all other 'State' and 'super-State' entities, for example, the 'UNITED NATIONS', 'EUROPEAN UNION' and "RÉPUBLIQUE FRANÇAISE".

### **45 God's Law**

*Gospel of Saint John 10:30 I and My Father are One*

This *Court of Record* has demonstrated how the Holy Bible uses symbolic picture language to outline the epistemology and ontology of all possible knowledge and a path to the direct immediate perception of YHVH, *Ground of Being*, **One**, Truth.

### **50 Sin of the Calf: worship of gold**

We have shown how the LORD, YHVH has preserved the precedent of the Judgment of Moses in Exodus 32 in "stone and bone", which has been shown to His Holiness Pope Francis, Bishop of Rome.

55 *Exodus 32:27 And he said unto them, Thus saith the LORD God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbour.*

32:28 And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men.

### Five centuries of war in the Church

We have shown how the practice of Roman Law in Europe by various cults, for example, the gold worshippers of the *Order of the Golden Fleece* and the *Cult of Saturn*, resulted in the manifestation of a Caesar in the Ottoman Sultan and by King Henry VIII.

The purpose of this action is to end the current abusive practices and Treason to Your Majesty and the Law of England, God is *One*.

Our *Letter Rogatory to the British Cabinet/Parliament* and all other *Amicus curiæ* letters published at [www.courtofrecord.org.uk](http://www.courtofrecord.org.uk) are included in full at this point in this document.

## High Treason

According to our received history, about two millennia ago, Our LORD, Jesus Christ, via Saint Peter, first Bishop of Rome, overthrew the Roman Caesar by the righteous action of God's Law. In his Christmas message of 2012, His Holiness Pope Benedict XVI set the stage for "*Render unto Caesar what belongs to Caesar and to God what belongs to God*".<sup>2</sup>

There is **no authority for war**. Your Majesty and the Bishops of Rome are *Allies* for the Rule of God's Law. Subsequent to our *Letter Rogatory to the British Cabinet/Parliament*<sup>3</sup> dated 28 May 2013, copied to His Holiness Pope Francis, His Holiness stripped all immunities by *Motu Proprio*<sup>4</sup> dated 11 July 2013, effective 1 September 2013.

In contravention of the express wishes of His Holiness and Your Majesty and this Court of Record of our LORD, Jesus Christ, this *Court of Record* has identified and continues to identify certain **Dangerous Idiots** who conduct war on God's men, women and children.

We have shown that some of these Dangerous Idiots abuse children to 'demonstrate their power'. We came to "give voice to the voiceless Children of Our Lord Jesus Christ", we found that we had to start with Your Majesty's.

These *Dangerous Idiots*, men and women who cannot reason, infest the highest levels of government.

*Wise men are instructed by reason;  
Men of less understanding, by experience;  
The most ignorant, by necessity;*

***The beasts by nature.***

- *Letters to Atticus, Marcus Tullius Cicero*

Impervious to reason, unwilling to take ratios and return to meaningful contracts after contemplation of Uniform Commercial Code Mirror Reflection, there are those in London who **refuse to accept** their *inheritance* together with the assumption of responsibility that includes but is not limited to the avoidance of the *running of limitations*.

The question is existential – is London going to continue as the centre of the English civilisation that spans the planet? Is London capable of ridding itself of the barbarians of the Hammer" ?

## The Great Chief of the Hammer

95 Freemasons have shown that since ancient times, one of the symbols of the Great Chief was the Hammer (or Axe). In this regard, we speak the following parable:

Imagine a 'stone age' tribe that had not yet developed writing. They commune effortlessly with nature. They have discovered that a stone lashed to a stout stick is an instrument of power – coconuts could be opened with ease. Soon the male members of the tribe discover that the 'coconut' could be the head of a rival male.

100 Eventually early tribal law settles the score and office of The Great Chief of the Hammer is identified. There is, however, a rival tribe where mystics are able to transmit a "mind blowing" experience. The title of the Man of God becomes The Great Chief of the Hammer, with power over the Chief Monkey whose function is to police the brutes of the tribe. The Hammer is given to the Chief Monkey, it is not won by a brutal contest amongst uncivilised barbarians.

105 "The world is managed by subtle means, **the stick was given to the man with the stick, it is not his stick**".  
*Letter Rogatory to the British Cabinet line 1023.*

It is only amongst barbarians that war is seen to be in effect where brutes are knocking each other with hammers. These are simpletons who think that "power flows from the barrel of a gun" and "my gun (Hammer) is bigger than your gun (Hammer)".

## 110 Acts of High Treason

In this Court of Record of the LORD, those who commit the following **overt acts** are seen to commit **High Treason** to the Bishops of Rome and Your Majesty:

- 115 1. **War and Terror:** Those who have **ordered** war and acts of terror, kidnapped and trafficked men, women and children, sunk ships filled with civilians, spread dangerous diseases (e.g. Ebola) or poisons; abused, raped or murdered men, women and children; blown up civilian nuclear reactors, operate geo physical weapons, etc. Examples include but are not limited to: Fukushima, CERN, Malaysia airlines disasters, Destruction and desecration in Ukraine, Syria, Gaza, Sudan, etc.; Boko Haram, ISIS, judicial terror as in the case of 'Asia Bibi' or 'Muslim Brotherhood', Paedophilia and ritual abuse, Greenbaum torture and programming, etc.
- 120 2. **Colour of Law Fraud:** Those who **purport to function as a 'Judge'** without affirmation or oath to Your Majesty, those who operate a Star Chamber, those who collect Caesar's taxes, for

---

7 For example, see testimony of experience of *Nirvikalpa Samadhi* transmitted by Sri Ramakrishna Paramahansa to Swami Vivekananda. The Great Chief of the Hammer Swami Vivekananda preached God in America, England and Europe.

*"Europe, the centre of the manifestation of material energy, will crumble into dust within fifty years if she is not mindful to change her position, to shift her ground and make spirituality the basis of her life".*

- Swami Vivekananda, circa 1896 on his return to India after a world tour that included Rome.  
Quoted in *Letter Rogatory to the British Cabinet*. See lines 220 *et seq.*

5 A little more than a century later, the Europe has forgotten Christ, the 'powerful' Shylock, the laws customs and manners of his country. When *The Great Chief of the Hammer* strikes, it is not just real-estate that 'crumbles into dust'. Is the 4<sup>th</sup> Baron Rothschild Jewish? Are the 'Ultra Orthodox Rabbis' True Men? See Genesis 42:11 *et seq.*, 1 Kings 9:8-9.

10 1 Kings 9:8 *And at this house, which is high, every one that passeth by it shall be astonished, and shall hiss; and they shall say, Why hath the LORD done thus unto this land, and to this house?*

1 Kings 9:9 *And they shall answer, Because they forsook the LORD their God, who brought forth their fathers out of the land of Egypt, and have taken hold upon other gods, and have worshipped them, and served them: therefore hath the LORD brought upon them all this evil.*

Also see Jeremiah 18:1-5, Luke 19:41-43, Luke 20:16-18, Hosea 4:6.

example any man or woman connected to the Internal Revenue Service, Inland Revenue, E.U. VAT, etc., to those who apply Distress Warrants (private purported Bailiffs), or collect 'requisition' revenue for the occupation 'Police' army (traffic violations, search without warrant, etc).

125

3. **Fraud, Fraud in the Inducement, Fraudulent conversion:** This includes but is not limited to the use of the Uniform Commercial Code, those who induce legal infants to place their signature on deposit: all 'banks', 'bankers' and their Chartered Accountants, those who are trading 'paper gold', and those who induce others to do business in a *nisi prius* court of no record.

130

4. Those who deny any of the universal 'Catholic' liberties recorded in the *Declaration and Bill of Rights 1688*; these liberties, including but not limited to the right to carry arms, that is, deadly force, concealed or in the open, for 'self defence' is to be interpreted without religious bias.

135

5. Those who **deny or attempt to deny freedom of movement:** Those who peddle identity or passport control, drivers licences or identity as a means to forbid men, women and children from travel.

6. Those who vend **death, torture and disease masquerading** as 'Health Service': Those who conduct medical experiments, who purport to reduce the world population, those involved in 'Agenda 21', the Georgia Guide Stones, those who dispense 'medical' treatment that is designed to kill. There is no support for the 'National Health Service' in its current form.

140

7. Those who **purport to operate a 'Republic'**, when, in fact there is no republic but a giant communal condom, for example, all the men and women of the 'United States' Congress, Supreme Court of the United States, Constitutional Council of France, the National Assembly of France, courts of no record, 'police force', etc.

145

8. Those who **purport to operate a 'Jewish Knesset'**, when it is de-facto a private Roman State of a treasonous Baron of England, the 4<sup>th</sup> Baron Rothschild acting as did the unrelenting Pharaohs of Egypt and the Dangerous Idiots of Amalek while masquerading as a 'Secular Jewish Democracy'.

150

9. Those who **covertly puppet master** Her Majesty's realms, especially those who use Her Majesty's **war powers**, for example, the French "King Fisher" who is attempting to order acts of war and terror via Canada, Britain, etc. It is seen that 'France' is one of Her Majesty's 'gardens', held as a vanquished vassal republic, for the See of St. Peter.

# Writ of Mandamus

The living man, *Sir Jeremy Heywood*, The Cabinet Secretary, shall assist Rt. Hon. David Cameron, First Lord of the Treasury, Prime Minister and the British Cabinet to:

1. Oversee the Crown Temple and Inns of Court and subject all therein to a test of Treason.
- 165 2. Investigate election fraud, planned election fraud, etc., and **postpone the British General Election** until such time as all issues are placed before the men women and children of the British Isles to the satisfaction of this **Court of Record**. The current Parliament, a Treasonable Assembly, now being dissolved, thank the LORD, do not have to be "hung" at the Tower of London. There is no authority to conduct a sham election to create a de-facto puppet-mastered dictatorship as has  
170 been done by the State of Israel for the 4<sup>th</sup> Baron Rothschild.
3. Publicly identify the "French King Fisher" by his arrest. Necessary force, including but not limited to special forces are authorised.
4. Use the Hammer Blow of **necessary force** from the *Allies for the Rule of God's Law* to **publicly**  
175 question HRH Prince Charles and the 4<sup>th</sup> Baron Rothschild regarding this Treason investigation: Are they with the LORD or against His judgement for the Sin of the Calf. The precedent is available in "stone and bone". Matthew 5:18<sup>8</sup>.  
*Exodus 32:26 Then Moses stood in the gate of the camp, and said, Who is on the LORD's side? let him come unto me.*  
*Deuteronomy 1:17 Ye shall not respect persons in judgment; but ye shall hear the small as well as the*  
180 *great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.*
5. Publicly serve this **Writ of Mandamus** on the officers of the 'Internal Revenue Service' and 'Inland Revenue', 'Customs & Excise', etc., that they are to **cease and desist** from their activities. Those in official government service are to be immediately placed on early retirement. Those  
185 who have been using private corporations to masquerade as the 'Internal Revenue Service', etc., are to be arrested.
6. Publicly serve this **Writ of Mandamus** on the justices of 'Her Majesty's Royal Courts' in 'United Kingdom', Canada, Australia, New Zealand and Her Majesty's Commonwealth of Nations and the members of the Crown Temple and Inns of Court, the 'Justices' of the 'Supreme Court of the  
190 United States', of the **return to English Courts, English Common Law and substantial contracts**.  
These and their successors are **commanded** to restore proper English Courts where the **tribunal is independent of the magistrate (judge)**. All magistrates are to be 'sworn' to uphold God's Law, the Law that Her Majesty The Queen is sworn to uphold with Matthew 5:33-37 "Yea, yea; Nay, nay" as the standard.  
195 Secret Courts and trials **are illegal, pernicious and void**. All proceedings in such Secret Courts are to be published in full and without redaction. This Court of Record of YHVH, Truth, Ground of Being, recognises no man-made borders or man-made 'sovereignty' or 'immunity'.  
200 All purported 'HMRC' or other tribunal 'court' documents, including but not limited to "Distress Warrant", "Warrant of Possession", "Census Form", &c., **are illegal, pernicious and void**. Statutory support for this decision can be found in the **1688 Bill of Rights**.
7. On or after 15 April 2015, any man or woman found operating a 'Star Chamber' Colour of Law nisi prius court is committing an **overt act of High Treason**.
- 205 8. All escalation of Parliamentary Privileges after the 1770 Parliamentary Privileges Act **are illegal and void**; this includes but is not limited to the 1911 Parliament Act.

8 Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

9. The living woman, Rt. Hon. Theresa Mary May, M.P., Home Secretary, Housekeeper for Her Majesty's Commonwealth of Nations and the Permanent Secretary at the Home Office, Mark Sedwill, and their successors are commanded to dismantle the 'identity State'.
- 210 10. Passports, a tool for "human trafficking", Drivers Licenses and other 'identity' devices **are illegal, pernicious and void**. Border checkpoints at a time of peace **are illegal and pernicious**. Corporate 'Bailiffs' and armed corporate 'Police' are instruments of tyranny and **are pernicious and illegal**.
- 215 11. The Permanent Secretary at the Home Office, Mark Sedwill, is **commanded** to replace 'Police officers' with unarmed 'Police Constables'. All statutory fines, drivers licences and other tools of intimidation **are illegal, void and pernicious**.
12. The First Lord of the Treasury, Rt. Hon. David Cameron, M.P., Prime Minister, and his successors are commanded to replace the void bank currency with short-term contracts for the delivery of God's good substance, for example, petrol and diesel. [ see: [www.courtofrecord.org.uk/QE2-2](http://www.courtofrecord.org.uk/QE2-2) ]
- 220 13. The First Lord of the Treasury, Rt. Hon. David Cameron, M.P., Prime Minister, and his successors are commanded to pay dividends in such currency to God's children, the men, women and children of Her Majesty's Commonwealth of Nations and the Crown Temple system of nations.
14. Her Majesty Queen Elizabeth II **has not failed** to maintain a perfectly viable, lawful money; British Sovereigns, which contain God's substance that functions as money, namely gold.
- 225 15. As there is no money in circulation within 'government' and in 'banks', the 'salary' of Queen's Bench magistrates is void, creating a conflict of interest and prejudices the purported independence of the said magistrates.
16. Her Majesty's Treasury is commanded to establish and pay a legal salary for Queen's Bench magistrates, the funds for which are to be collected by voluntary contribution of God's substance<sup>9</sup> in Church. Sir Jeremy Heywood is commanded to identify True Men or Women who can be selected for the office of Lord High Treasurer.
- 230 17. The "British Cabinet" is commanded to Truthfully publish all *Matters of Fact* and conduct an election at a date acceptable to this *Court of Record* where an informed public can make a real choice. Ancient-Egypt-style 'parties' with 'whips' to enforce 'party discipline' **are illegal and pernicious**.
- 235

As this is a Writ of Mandamus regarding "all the gold and all the guns in the world", already held under Admiralty by Her Majesty Queen Elizabeth II and the Bishops of Rome in this *Court of Record of our LORD*, all 'filing fees' of *this Court of Record* and of the 'Queen's Bench' are **waived by this order** of this *Court of Record of Jesus Christ*, YHVH the most Merciful *One, Ground of Being*.

- 240 *Sir Jeremy Heywood* is commanded to do everything that is in his power to serve process on all those in Her Majesty's government and across all corporate governments in trust under the Crown that must be served. As the Crown is the Trustee of the system of Nations, this involves service of process on all Heads of State, Parliament/Congress/Assembly and Judiciary in every Nation or State.

245 This Court of Record of Jesus Christ prays that the LORD inspire the *Allies* for the Rule of God's Law to generously assist Rt. Hon. David Cameron and Sir Jeremy Heywood.

We pray that our LORD, Jesus Christ, YHVH the most Merciful *One, Ground of Being*, that God's Law and God's Mercy shall guide loyal civil servants as they *faithfully* discharge their duty to **all** men, women and children.

We send our love to YHVH for Your Majesty !

250 Yours faithfully,
